LETTERARI

The image features a complex abstract composition. At the top left, there are several overlapping brown rectangular shapes of varying sizes and orientations. To their right is a large, dark, textured shape with a white oval cutout, resembling a stylized letter or a mask. Below these elements is a large, light gray, semi-circular shape that dominates the middle of the page. A thin brown line runs horizontally across the lower part of the page, with a diagonal line extending from its left end towards the bottom left corner. The background is a mix of white and light gray areas.

The background features a light gray field with several large, overlapping geometric shapes in blue and dark gray. On the right side, a series of black rectangular blocks of varying heights and widths are arranged in a stepped fashion, resembling a stylized city skyline or a series of architectural elements. A large, black silhouette of a fountain pen is positioned diagonally in the lower right corner, pointing towards the bottom left. In the bottom left corner, there is a circular inset showing a close-up, textured detail of a dark, possibly stone or wood, surface.
